2010 Knox Harvest Festival

Sponsored by: Friends of the Park Assoc. Knox Indiana

This year the Knox Harvest Festival will be even better than last years. We started planning for 2010 during the 2009 Festival. The year we will be Celebrating 160 Years of Starke County and the City of Knox as the County Seat.

Our Headline Bands this year is the local band, **30 South** who play they own style of county music. The "Don't want to miss this band" is **Eight Days a Week** a Beatles Tribute Band from Cincinnati, Ohio. All of our entertainment will be outstanding, as will the food and many vendors we are expecting this year.

You can have a part in this year's festival this year by purchasing an ad in the Harvest Festival Booklet. We will be printing at least 1,000 copies and distribute them from Michigan City to Winamac and Plymouth to Valparaiso. The booklet contains all the information about the Knox Harvest Festival.

So that we can get the booklet done in time for the Starke County Fair, we ask that ads be turned in no later than May 31st. However, we ask that if possible, it would be nice to have ads turned in as soon as possible.

If you have any questions, please contact me. We look forward to have you as a part of the Knox Harvest Festival.

Thank you for your support.
